

## ROSCOE ARBUCKLE HELD ON CHARGE OF MANSLAUGHTER

Police Judge Lazarus Refuses to Hold Comedian on Murder Charge—Judge Places No Credence in Testimony of Semnacher—Defendant Released on \$5000 Cash Bond

(By The Associated Press)  
SAN FRANCISCO, Sept. 28.—The murder complaint against Roscoe C. (Fatty) Arbuckle was reduced to manslaughter today by Police Judge Sylvain J. Lazarus, who held him to answer to the superior court for trial on the lesser charge growing out of the death of Miss Virginia Rappe following a drinking party in Arbuckle's suite at the Hotel St. Francis.

Judge Lazarus held that the evidence introduced by the district attorney during the six day hearing did not warrant the comedian's being held for murder. Miss Rappe, a Los Angeles motion actress, died Sept. 9, four days after the affair in Arbuckle's rooms.

"I have decided to make a holding for manslaughter finding that there is enough in the defendant's conduct to warrant his trial on that charge," said Judge Lazarus.

## M'CAULEY SAYS LEGION IS NOT ACTING IN CASE

State Commander Sends Message to Governor Small

(By The Associated Press)  
CHICAGO, Sept. 28.—"No man has the ability to represent the American Legion, Department of Illinois, in asking for a stay of sentence for Carl Wanderer," W. R. McCauley, state commander of the Legion declared in a telegram tonight to Governor Len Small.

The message was in answer to reports that the American Legion was seeking another reprieve for Wanderer who had been sentenced to be hanged Friday morning for the murder of a "ragged stranger" he had employed to stage a mock holdup during which he killed his wife and unborn child.

Mr. McCauley in his telegram said that any member of the American Legion seeking a stay of execution for Wanderer was acting as an individual and not as a member of the Legion. The message follows:

"When I joined with others two months ago in requesting a stay of sentence to allow you time to appoint a sanity commission, the case passed out of our hands. Failure to appoint such a commission rests entirely with the state of Illinois. The only action possible must come from the executive committee of the American Legion and this committee at a very recent meeting did not take action. The case of Wanderer now rests entirely with you."

## WANTS MOTORCYCLE SQUAD FOR SMUGGLERS

Chicago, Sept. 28.—John Kjellander, federal prohibition director of internal revenue at Washington, sent a telegram to the American Legion requesting permission to organize a motorcycle squad for the pursuit of whiskey smugglers coming over the border from Canada and to stop whiskey traffic from Louisville, Ky. and Detroit.

## WAY CLEARED FOR FIGHT ON THE TAX REVISION MEASURE

Will Begin Consideration of Contested Features Today

(By The Associated Press)  
WASHINGTON, Sept. 28.—The way was cleared today in the senate for the fight over the Republican tax revision bill. Reading of the measure for approval of uncontested committee amendments to the house bill was completed and consideration of the contested features will begin tomorrow. These include sections dealing with income taxes, individual and corporations, profits taxes, transportation levies, excise and so on. The bill also contains changes in the committee as well as with estate taxes and levies on admissions and dues which were not altered by the committee.

The attack on the transportation taxes was opened today by Senator McNary of Oregon, a Republican member of the "agricultural bloc," who offered an amendment to strike out the levies on freight, passenger, Pullman and express.

Senator King, Democrat of Utah, said he would propose an amendment to eliminate also the tax on telegraph and telephone which was unchanged by the committee.

Senator Simmons of North Carolina, and other Democratic members of the finance committee completed during the day a series of amendments which they plan to offer and which if adopted would virtually rewrite the bill.

Senator Smoot of Utah, a Republican member gave notice that he hoped to have his manufacturers' sales tax plan ready to offer tomorrow and that he probably would speak on it next Monday. He said he was undecided whether he would offer an entirely new bill or propose amendments to the existing bill.

During the reading of the bill today the senate agreed to most of the special and stamp taxes, and the existing tobacco taxes imposed by the present law and unaltered by the committee and also to a number of administrative provisions. These provisions included those designed to speed up final settlement of tax claims, establishing a tax simplification board and to prevent unnecessary examinations or investigations of taxpayers' books of account.

Other sections agreed upon without contest included one authorizing the secretary of the treasury to issue an additional \$300,000,000 in short term notes to facilitate the funding of victory notes and certificates of indebtedness.

## FEDERAL GRAND JURY RETURNS INDICTMENTS

Find Terra Cotta Manufacturers Have Formed Trust

(By The Associated Press)  
NEW YORK, Sept. 28.—The federal grand jury which has been investigating an alleged materials trust today handed down an indictment charging two groups of terra cotta manufacturing corporations—the Atlantic Eastern and the American National—and their officers with violation of the Sherman anti-trust law.

"We find, that this vast industry reaching from here to the coast," said United States District Attorney Hayward "has been with nthe complete and arbitrary control of about 23 men thru-out the United States."

"A very exhaustive investigation of the terra cotta has revealed a startling situation."

Corporations indicted in the national group included terra manufacturing concerns in Chicago, Atlanta, Los Angeles, Indianapolis, Denver, St. Louis, Kansas City, Philadelphia and more than a dozen other towns in California, Missouri, Washington, New York, New Jersey and Georgia. In the eastern group was one Philadelphia concern and a number of others in small towns in Georgia, New Jersey and New York.

The indictment follows two others handed recently by the grand jury against the Sand and Gravel dealers, and the Portland-Cement Manufacturers and Dealers.

## LAMONT WILL GO TO MEXICO

(By The Associated Press)  
NEW YORK, Sept. 28.—Thomas W. Lamont of J. P. Morgan & Co. as acting chairman of the International Committee of Bankers on Mexico, will leave for Mexico City on Friday to confer with officials of the Mexican government regarding the proposed liquidation of that country's external obligations.

He will be accompanied by a corps of experts, including Jeremiah Smith, Jr., of Boston, who was actively identified with the negotiations in connection with the Chinese consortium and by Walter F. Voorhees, until recently the representative of the National City Bank of Spain.

British, French, Belgian, Dutch and Swiss banks and investors are members of the international committee to which Mr. Lamont will submit a statement of his discussions with the Mexican government.

Germany also has large holdings of Mexican external bonds, but will have no place on the committee which was organized at a time when most of the nationals named were at war with that country.

## ROYAL ARCH MASONS CLOSE SESSIONS

Asheville, N. C., Sept. 28.—A reception to the general high priest and staff by the Grand Chapter of Iowa was the concluding feature of the opening discussion of the thirty-eighth triennial convocation of the General Grand Chapter Royal Arch Masons here today. Included in the program today were the exemplifications of the Royal Arch degree by the grand chapter of Missouri, according to the new grand charter ritual, and an address by Frederick W. Craig, grand high priest of Des Moines, Iowa.

## COLLECTIONS TOTAL OVER \$500,000,000

Washington, Sept. 28.—Collection of the September 15 installment of income and profits taxes today reached Secretary Mellon's estimate, according to treasury reports. The amount received to Mellon estimated the collections date totals \$526,201,995. Mr. Mellon said in round figures that \$500,000,000.

## Thousands Cheer Civil War Veterans

INDIANAPOLIS, Sept. 28.—Cheers the tribute accorded always to soldiers were still ringing in the ears of hundreds of surviving heroes of Civil War to night. Shortly before sundown the rear ranks of the Grand Army of the Republic passed the reviewing stand of Commander in Chief William A. Ketcham, bringing to a close the annual parade and the most spectacular event of the fifty fifth encampment.

Thru streets packed solid with flag waving, shouting citizens, the Grand Army parade arousing as much patriotic enthusiasm as if it were an army on its way to war. Tonight they were weary and sought the benches and rest places provided for them thru the downtown district but as they hiked along today the veterans marched jauntily, tramping in step with the music of war drums and fifes.

Hundreds of automobiles were ready to carry veterans who there were few who made use of machines unless they were totally disabled. The cheering started with the approach of the old guard at the head of the column. These veterans, mustered from Columbus and Newark, Ohio, marched with equipment and rifles, keeping perfect alignment and orderly files. The Purdue University band followed the old guard and swung into place alongside the reviewing stand.

Then came the veterans in six divisions, Illinois, Pennsylvania, Wisconsin and Ohio comprised

the first division; Massachusetts, New Jersey, New York, Connecticut, Maine, California, Nevada, New Hampshire and Rhode Island the second; Potomac, Virginia, Vermont, North Carolina, Maryland, Nebraska, Michigan, Iowa, Colorado, Wyoming, Kansas and Delaware the third; Minnesota, Oregon, Kentucky, West Virginia, South Dakota, Washington, Alaska, Arkansas, New Mexico, Utah, Tennessee, Louisiana, Mississippi, Florida, Montana, Texas, Idaho, Arizona, Georgia, South Carolina, North Dakota, Oklahoma, and Indiana the fourth.

The fifth division was composed of Spanish-American and Veterans of the World War, and the sixth division were disabled veterans in automobiles.

Preceding the parade the G. A. R. delegates met in a business session and passed a resolution condemning the Ku Klux Klan. The Sons of Veterans passed a similar resolution. "Whatever may be its purpose," said the G. A. R. resolution regarding the Klan we believe its methods are un-American and that its existence is a standing menace to constituted government and the open and impartial administration of the law."

The G. A. R. will meet again tomorrow to elect officers and select the city for the next encampment.

Des Moines, Iowa and Milwaukee are seeking the meeting for next year. Affiliated organizations will also hold business sessions tomorrow.

## MAKE ANOTHER EFFORT TO GET BERGDOLL ESTATE

Mother Must Show Court Why She Should Not Give Accounting

(By The Associated Press)  
PHILADELPHIA, Sept. 28.—Mrs. Emma C. Bergdoll was ordered by Judge Dickinson to appear in federal court here October 11 and show cause why she should not give an accounting of all properties held by her for her son Grover Bergdoll, notorious draft evader.

Judge Dickinson issued the summons upon the request of Major Vincent A. Carroll, counsel for Thomas W. Miller, alien property custodian.

Today's action is one more move in the government's effort to attach the wealthy evader's entire fortune.

Several days ago Major Carroll filed a bill in equity in the name of the alien property custodian calling upon Mrs. Bergdoll for an accounting of the properties she controls for her son. She not only failed to comply but filed a counter bill asking the court to return the federal custodian to return property valued at nearly \$1,000,000 seized by him as the evader's assets. Mrs. Bergdoll claims personal ownership of the property.

Lawyers say a fine point will be raised later when the court is asked to determine whether the alien property custodian has the authority to attach or retain enemy alien property now that the state of war between this government and Germany has been declared ended.

## PERSHING WATCHES TROOPT MANEUVER

COBLENZ, Sept. 28.—General Pershing today rode back and forth before the advancing lines of American troops engaged in maneuvers and watched them charge under cover of an artillery barrage. The troops used ball ammunition in their machine guns demolishing their objective and scattering up flocks of rabbits that scampered in all directions.

General Pershing was accompanied by Major General Henry J. Allen, commander of the American forces in the occupied territory and General Moreland of the British army. A demonstration of war problems finished the maneuvers and the troops marched to their station.

There was a polo game in the afternoon and a dinner and reception at 8 o'clock in the evening at General Allen's home attended by thirty of the allied commanders and Rhineland officials. The fifth Crusaders of the French army will meet General Pershing when he goes to Mayence tomorrow and escort him into the city where he will visit General DeGoutte and review the French troops.

## JAMON'S GRAVE TO BE MA'KED BY FINE STONE

Armdore, Okla., Sept. 28.—A five thousand tombstone will grace the grave of Jake L. Hamon, Republican national committeeman, who was killed here last November, according to Frank L. Ketch, administrator for the Hamon estate who let the contract to a Chickasaw firm today. The stone will be a simple monument bearing on it the name of the deceased.

## FIGHTING GRASS FIRE AT BERKELEY

Berkeley, Calif., Sept. 28.—Approximately 1,000 persons tonight were combating a large grass fire in the hills back of the fashionable Claremont residence district. The fire was threatening homes and the Hotel Claremont. All available fire apparatus in Oakland and Berkeley was called out late this afternoon.

## SMALL UNDECIDED ON DECISION IN WANDERER CASE

Impassioned Pleas Made by Wanderer's Attorney

(By The Associated Press)  
SPRINGFIELD, Ill., Sept. 28.—With the noose awaiting Carl Wanderer, condemned slayer of his wife, her unborn babe, and "a ragged stranger," whose execution is set for next Friday, Governor Small will decide whether he will reverse his decision of yesterday or permit Wanderer to hang.

With a plea of mercy from Wanderer's attorney, W. D. Bartholomew, ringing in his ears, Governor Small hesitated today while weighing the responsibility which rested upon him.

A further appeal for Wanderer will be made tomorrow by Captain Oscar Carlstrom, member of the state tax commission, it was said tonight.

At the same time the governor's office announced that State Attorney Crowe of Cook county will be represented at the deciding hour here tomorrow.

The pardon board yesterday recommended denial of clemency for Wanderer. Bartholomew today made an impassioned plea to the governor, declaring that Wanderer did not have a fair show for his life in the courts, that he was convicted upon evidence honeycombed with errors and that on top of it all, that Wanderer's hereditary insanity was aggravated by the horrors of war.

"As a matter of pure psychology Ruth Wanderer on her death bed in full consciousness of it all would have pointed an accusing finger at the slayer of her unborn babe if the murderer had been Carl Wanderer," Bartholomew told the governor.

Among close friends of the governor sentiment over the Wanderer case was divided tonight.

## MINERS WILL NOT WORK WHILE HOWAT REMAINS IN JAIL

Will Take Holiday and Will Journey to Columbus Friday

(By The Associated Press)  
PITTSBURGH, Kans., Sept. 28.—Not a union miner will work while Alexander Howat, president of the District 14 miners is in jail, according to an announcement today by John Fleming, member of the district executive board. Howat and August Dorley, vice-president of the miners organization must either give a \$2,000 bond restraining them from calling a strike or go to jail Friday at Columbus.

Word has been received by the miners' officials here that Howat and Dorley, who are attending the national convention at Indianapolis, will go direct to Columbus in time to report to Judge Frank W. Boss, Friday morning. Evidently a great labor demonstration is planned for Friday was seen today when arrangements were made for special interurban cars to carry the miners to Columbus. Twelve special cars have been contracted for to furnish transportation from all parts of the district.

Every local in the vicinity of Pittsburgh has declared Friday a holiday. Pearl Maxwell, member of the district board declared today.

Other labor organizations in Pittsburgh also have set that day aside as a holiday and will join the miners in the demonstration at Columbus.

## HELD FOR EXTORTION WOMAN DROPS DEAD

CHICAGO, Sept. 28.—Held to the federal grand jury with her husband and a patrolman on the charges of extortion, conspiracy and violation of the prohibition act Mrs. Rose Allen dropped dead in the federal building today.

An inquiry was begun immediately by the authorities to learn whether she had taken poison rather than endure what she regarded as the disgrace of being held to the jury. Her husband, however, attributed her death to heart disease.

Mrs. Allen, her husband, John Allen and Patrolman David Ransford were arrested in connection with an alleged plot to obtain \$1,000 from a drug store to conceal the delivery of ten pints of whiskey to Allen.

## WORTHINGTON OUT ON BOND

Chicago, Sept. 28.—John W. Worthington, arrested recently by federal officials in connection with mail robberies totalling more than \$7,000,000 will be released tomorrow on \$20,000 bonds. It was announced tonight. His bond was reduced from \$50,000.

## WORLD'S ALTITUDE RECORD BROKEN AT M'COOK FIELD

Lieutenant McReady Reaches Height of 40,800 Feet in LaPere Biplane—Same One as Used by R. C. Schroeder When He Set Record in February—Pilot Feels No Ill Effects

(By The Associated Press)  
DAYTON, O., Sept. 28.—Lieut. John A. McReady, test pilot at McCook Field, today shattered the world's altitude record attaining a height of 40,800 feet in the same LaPere biplane used by Rudolph C. Schroeder, who set a record of 38,180 feet on February 28, 1920.

Lieutenant McReady was in the air one hour and 47 minutes, requiring all but a few minutes of the total flying time to reach his mark. At 39,000 feet ice formed on his oxygen tank, but he pressed on until the altimeter registered 41,000 feet. At this point his engine coughed and died. He then glided safely to the ground.

McReady's new record is 2,620 feet higher than that of Schroeder, and in this flight suffered none of the hardships met by the former chief test pilot. Schroeder's eyeballs froze and excessive dilation of the heart kept him in a hospital nearly two weeks after the flight.

The flight made today primarily was for the purpose of testing improvements made on the super-charger invented by S. A. Moss, who witnessed the flight and also a new propeller of very high pitch perfected by engineers at the local field.

Every precaution taken by Captain G. A. S. Hallett, chief of mechanical designing and Moss personally prepared the plane for the flight and every precaution was taken to provide auxiliary oxygen tanks for safety of the pilot. On landing McReady declared he suffered nothing but numbness. He climbed out of the plane unassisted and posed for several photographers immediately.

## CONFERENCE ON UNEMPLOYMENT MAKES PROGRESS

Will Begin Work Five Days Earlier Than Was Expected

(By The Associated Press)  
WASHINGTON, Sept. 28.—Due to rapid progress by committees in formulating recommendations the national conference on unemployment will begin consideration of a general emergency relief program Friday, five days earlier than had originally been planned. It was announced tonight.

In addition to the manufacturers' committee, upon which agreement has already been announced recommendations on emergency measure will be reported Friday by the committees on unemployment statistics, employment agencies and registration, emergency public works and construction.

Other reports will be considered as completed it was said.

Announcement of the formation of a new committee on community, civil and emergency relief measures to recommend the best forms of community organizations to carry out the recommendations for decreasing unemployment was made today by the conference.

Public hearings today were devoted to the question of employment service and the relative merits of public and private agencies. The majority of the witnesses favored the use of public agencies, either municipal, state or federal in the distribution of work. Urban LeVaux, who recently conducted labor auctions in Boston Common strongly endorsed the establishment of federal employment agencies thruout the country.

Labor Favors Federal Service

Organized Labor according to William C. Roberts of the American Federation of Labor was emphatically in favor of a federal employment service absolutely neutral in labor disputes.

Mrs. S. J. Atwood, of the Metropolitan Association of Employment Agencies of New York, declared that the private agencies and the best machinery for handling the situation and crisis should be the federal service as a whole during the war.

She charged walking delegates of organized labor with attempting to graft thru private agencies and said she had had 200 chances for graft in the past year. Mrs. Atwood informed the committee that the answer to the unemployment situation was to "get work going."

The public works committee was said to have practically completed a report calling upon states and municipalities to proceed immediately upon their projects whether appropriations were ready or not. Hearings are to be held by this committee tomorrow.

## BRITISH ASKED TO INTERVENE

LONDON, Sept. 28.—The British government has received an appeal from Michael Fedorff, president of the United Relief Committee of Russian organizations in Europe asking its intervention to save the lives of N. M. Kiskin, N. S. Prokopovitch and Catherine Kuskova, members of Maxim Gorky's disbanded famine relief commission, who have been condemned to death by an extraordinary commission in soviet Russia.

The appeal charges that the soviets included non-political Russians on the famine committee only to gain the confidence of the civilized world and that when the Bolsheviks made sure of the readiness of foreign governments to render assistance the commission's powers were revoked and the non-communist members of it imprisoned.

Fedorff's appeal says the predicament of the Russians who attempted to aid the Bolsheviks in famine relief work is a challenge to the civilized world and expresses the hope that all possible steps will be taken to save them from the fate of the sixty one representatives of Russian culture and science.

## NO SILKS AND SATINS FOR SCHOOL TEACHERS

Lyndhurst, N. J., Sept. 28.—Longer skirts and no silks or satins—this is the latest order to teachers issued by the Lyndhurst school board. The order did not specify the orthodox length.

The ban on expensive materials was explained as being placed because most of the pupils came from families of moderate circumstances.

If teachers wore silk vestments pupils might feel obliged to do likewise.

## PREDICTS BIG BEET SUGAR MANUFACTURE

Salt Lake City, Sept. 28.—Judge Henry H. Rolaph, president of the United States Beet Sugar Manufacturers Association today predicted that two billion pounds of beet sugar will be manufactured in this country this season, or about twenty five per cent of the total of refined sugar consumed annually in this country. Approximately a million acres from Ohio to the Pacific coast are growing beets this year. Judge Rolaph said and will produce 1,000,000 tons of beets.

A delegation of Litchfield business men will come to Jacksonville to inspect the city's light and power plant and to learn some general facts about Jacksonville as a municipality.  
It is a pleasing thing that certain events have taken place in Jacksonville in recent years thru the co-operation of citizens which have given the city a good name. This will not be the first delegation that has come to Jacksonville. There could be not better publicity than having business men from other cities come for the very purpose of securing first

hand information about the progress Jacksonville has made during these recent years.

One member of a nationally known organization with a membership of 60,000 has suggested that each member employ one additional person during the winter months. He estimates that this additional number of employees would better the living conditions for more than 200,000 people.

That indeed is a well worth while goal and the suggestion sounds a note of splendid altruism. But somehow the suggestion to employ persons whose services may not be needed doesn't strike one as entirely practical.

Mr. Mawson, who is now serving as a member of the county board, will not round out a year of service until the first of December. However, in the ten months that have elapsed since he went into office, Mr. Mawson has fully demonstrated his earnest desire to serve the people well. He has shown a disposition to handle the county's business with an eye both to efficiency and economy, and is certainly a public servant of the kind that the county should retain in office.

The interstate commerce commission is said to have planned for the uniting of the railroads of the

United States into one system and that a substantial economies could thus be effected. Possibly the results would be different than were seen when the federal government had all the roads under its control. The showing made during that period was not one to give advance confidence in the plan which is now proposed.

Dealers state that the low price point for lumber has passed and that the market now shows an upward tendency. This situation is contrary to the general understanding of the public, for most people have imagined that the low point had not yet been reached.

Locally proof that the time has been advantageous for building from the lumber standpoint is found in the fact that several contractors have erected residences of their own. It costs more to build than it used to, but evidently a lower cost time is not an immediate prospect.

The vote of the different state representatives of the miners' union is in support of President Lewis in his order to Alexander Howat to call off the strike in the Kansas coal fields. Howat won the support of Illinois and some other strongholds where the enemies of Lewis are in control. But even after the final vote is taken and Howat loses it is not at all certain that he will carry out the

instructions of the international organization. Thus far Howat has defied the courts and all vested authority in his purpose to carry out the policies he approves.

FAIRNESS TO TENANTS

There has been a great deal said thru the press in the past year about rent hogs and the unfair landlord. It is a pretty safe guess that these cases of unfairness are the exception rather than the rule. In Jacksonville today there are several men who own residence property for rental purposes who have increased the rent during the past two or three years not more than 10 or 15 percent. The increases in their rentals are very much smaller than their increases in taxes and general expenses on the property.

Very recently one landlord gave an exceptional demonstration of fairness. He had as his tenant a railroad telegrapher whose pay was reduced. When the telegrapher went to pay his rent the following month the owner of the property voluntarily reduced the rent \$5 a month. "Your earning power is less," he said to the tenant, "and I mean to take less for my property, for I believe that all classes of people must be satisfied with less in the coming days and the sooner that employers and employees and house owners and their tenants find this out the better it will be for everybody concerned."

NOTICE

Business men and others intending to reserve space at the Automobile Show and Merchants' Exposition to be held at Chevy's Service Station October 19, 20, 21 and 22, should do so at once. More than forty spaces have been taken now and they are going rapidly. If you cannot see Manager Wilkinson, notify J. F. Claus or E. A. Olds who will see that you are placed.

The promoters of the coming show propose that it shall measure fully up to the standard of the one last March and plans are being made to that end.

There will be no admission charge and the show will be well advertised.

There will be no printed programs and no solicitation hereof among the business men.

COMMITTEE.

GRACE CHURCH WOMEN SEW

The Pastor's Aid society of Grace church held an all day sewing at the church parlors Wednesday, and seventy-five articles were made or donated for the Near East relief. Dinner was served at noon. This was one of a series of sewings which will be held on Wednesday of each week until the annual Christmas bazaar which will be held on Thursday, Dec. 1.

He said that for the little extra now being charged he actually obtained the equivalent of two good suits—often a man's coat is worn only when going to and from work and, in consequence, is but little injured while the trousers are gone entirely, meaning another new suit. Two pairs gives you the full service of the coat.

Something Nice

We can make you a nice suit, from fine material, make it to fit you, finish it properly and deliver you a high grade custom made suit, together with an extra pair of trousers, at an astonishingly low price. WHITE HALL COUPLE  
WED AT CARROLLTON

Harold Gray and Miss Gladys Johnston United in Marriage Recently—Other White Hall News of Interest.

White Hall, Sept. 27.—The marriage of Harold Gray and Miss Gladys Mae Johnston took place at Carrollton before a justice of the peace Saturday morning at 9 o'clock. They returned to White Hall on the noon train and have since been with the groom's mother, Mrs. Pearl Johnston, proprietor of the Bowen hotel. They expected to get located on a farm. The groom formerly resided at Hillview, but has been located at Roodhouse recently.

The little son of Cal Bowen is picked for entry in the better babies' contest at the Greene county fair next week. The child is eleven months old and weighs 27 pounds, with seven teeth.

Lester Bowen came in contact with an ornamental light pole at the corner of Sherman and Jacksonville streets about 6 o'clock Sunday evening, and the question as to the legality of our ornamental lighting system is again raised.

J. W. Talley, following a residence at Quincy since going out of business at Eldred, is again located at White Hall.

Mrs. Wayne Ross has contracted typhoid fever. The family resides in Maple Heights.

F. T. Gosnell is unable to be on duty at the Peares grocery today on account of an attack of rheumatism.

Lela, aged ten years, daughter of Frank Bullard, suffered from a broken arm Saturday by falling from a board on which she and another little girl were playing tiddlywinks.

Gregory Farm Laboratory has had a tremendous run of orders for hog cholera serum the past week, one single order being sent in for over 100,000 cubic centimeters.

A dog kennel that has brought orders from over twenty states during the past year, has been built up in a quiet way by Dr. E. J. Hume as a side line to his professional duties, and the demand is greater than the supply. He raises pups from field trial winning and producing sires and dams. He conducts the business under the firm name of Dr. E. J. Hume & Son, and visitors always find a glad welcome and see things of interest to the dog world.

Mrs. M. V. Henderson arrived from Lincoln, Calif., last week and is the guest of her son, J. Frank Henderson, where she has been quite ill since her arrival. This is the first view of White Hall for twenty years. She is now 70 years of age.

A. H. Coifman of Jacksonville was in Literberry Sunday afternoon calling on friends.

Here is a word of praise for several little girls and boys who started into school at Literberry college the first day of this term. They love to go, are learning fast and think a great deal of their teacher, and are so much interested that they bring their books home to study their lessons, school is first now in their minds and play second.

D. K. McCarty who has been taking treatment at Passavant hospital has returned home and is getting along fine. He speaks highly of the treatment he received at the hospital from the doctors and nurses.

Mr. and Mrs. James Lowden of Cedar Ridge farm drove to Literberry Sunday and spent the day with friends.

Miss Eleanor Guy is still kept in her room on account of the lace which came two weeks ago while playing at school. The errand is better but she cannot walk yet.

Mr. and Mrs. S. H. Crum, Baptist Sunday school delegates, gave a good report on Sunday morning of the county convention held last week at Franklin.

## ROOSEVELT TELLS EXPERIENCES IN WAR WITH SPAIN

Is Presented to Roosevelt  
Memorial Association

(By The Associated Press)  
NEW YORK, Sept. 28.—A terse history of the Spanish-American War as seen thru the eyes of its most famous participant came to light today when Mrs. Theodore Roosevelt presented the former president's war diary to the Roosevelt Memorial society. The diary is a record of experiences and impressions, made up of laconic entries, some historical, some critical.

Shadid's characteristic point-of-view was aimed at the stupidity of the ordnance department, while the Colonel recorded the belief that in the war department "there was no management at all."

The diary is a small pocket volume and contained notes in pencil and ink. No part of it has ever been published before.

Some of the most characteristic entries follow:  
"May 6th, -898—Commissioned lieutenant colonel United States voluntary cavalry. Wood as colonel by his choice.

"May 7th—The delays and stupidity of the ordnance department surpass belief. The quartermaster's dept. is better.

The commissary dept. is god. There is no management whatever in the war dept. Against a good nation we should be helpless.

"May 21—The blunders and delays of the ordnance bureau surpass belief. They send us stuff we don't need and send us rifles by slow freight. There is no head, no energy, no intelligence in the war department.

"May 24—Quota nearly filled. It is astonishing how rapidly we have armed and drilled these men. Wood's power of work and executive capacity are wonderful.

"May 30—Railway system tends to breakdown. Intermittent delays no proper facilities for unloading horses, to rest, water, or feed, etc., etc.

"June 3—Reached Tampa in morning. Railway system in wild confusion. It took us 12 hours to get into camp with our baggage.

"June 5—No words can paint the confusion. No head; a break-

down of both the railroad and military systems of the country.

"June 6—No plans; no staff officers; no instructions to us. Each officer out for himself and takes his chances. We are doing as well as the regular regiments. Have very light baggage.

"June 8—Told to go aboard transport. Worst confusion yet. No allotment of transports; no plans; utter confusion.

"June 20—Reached Santiago.

"June 22—Landed.

"June 23—Marched.

"June 24—Fought Las Guasimas. We drove enemy in fine shape. We lost 60 men, killed and wounded 20 slight.

"July 1—Rose at 4. Big battle. Commanded regiment. Held extreme front of firing line.

"July 3—Truce at noon. Spanish fleet destroyed.

"July 10—Truce. Mismanagement horrible. No head to army.

"July 10—Bombardment again.

"July 11—Truce again. Shifted camp a mile to extend lines. Heavy rain yet at night.

"July 17—Surrender at Santiago.

"July 18—Shifted camp to foothills. Half men of my regiment dead or disabled by wounds or sickness.

Mrs. Roosevelt also presented Roosevelt Memorial association with the spectacle case and manuscript of an address, pierced by a bullet aimed at Roosevelt in Milwaukee in 1912. It was from this manuscript that Roosevelt a half hour later read his campaign speech with that assassin's bullet still imbedded in his body.

**UNKNOWN MAN  
SHOOTING TWO**  
Salt Lake City, Sept. 28.—Arthur McKee, public chauffeur and his brother-in-law, Shealy Wade were shot by a man who engaged the former to drive him to Coalville near here last night, according to a report to Sheriff's office.

McKee said they had proceeded a few miles when the passenger told him and Wade to look around and levelled a revolver at them, commanding them to alight. McKee said that he and Wade complied; that the man then searched them, secured \$4 and then shot both men in the back. McKee was not seriously injured but Wade is not expected to live.

**WOULD CENSOR  
MOVING PICTURES**  
Sacramento, Calif., Sept. 28.—An appeal to Governor Stephens to include in his call for a special session of the legislature the subject of censorship of motion pictures is made in a letter received at the governor's office today from Assemblyman Chester M. Kline of Riverside county.

While an attempt to pass a censorship bill failed at the regular session of the legislature Kline declares that recent developments have focused the attention of the state and nation on the motion picture industry.

It is his opinion the time is ripe for legislation in this matter.

## HOWAT LOSES HIS FIGHT AGAINST JOHN L. LEWIS

Directed to Order Men to  
Return to Work in  
Kansas

(By The Associated Press)  
INDIANAPOLIS, Sept. 28.—Alexander Howat, president of the Kansas coal miners was directed today by the vote of the convention of the United Mine Workers of America to order strikers at two Kansas mines back to work, but immediately after the convention's decision he declared he would not carry out the order. No announcement was made by union officials, what Howat would be taken to enforce the decision. In voting the convention had before it Howat's assertion that he would be expelled from the union before he would obey such an order. By its vote the convention sustained President John L. Lewis and other international officers in ordering the resumption of work which had not been obeyed by Howat.

All of the anti-administration element was lined up behind Howat, but the roll call showed an unofficial majority of 926 for the order, the vote being 2,701 to 1,775. Howat's opposition to the order was that it would support operators seeking to violate contracts with miners by imposing new working conditions but President Lewis declared the issue was whether the union held its own men to the fulfillment of their contracts.

Only six of the 27 districts in the union stood by Howat who gained his greatest support by carrying the big Illinois delegation 775 to 55. Washington, Montana, Kansas and Indiana exclusive of Block Coal district also gave him a majority of their votes. All other districts supported the administration's "back to work" order by majorities ranging from less than a score to more than 200 votes.

Howat's fight with administration leaders ended for the convention with the disposition of the Kansas strike case.

**WANTS NEW YORK  
HERALD INDICTED**  
New York, Sept. 28.—Police Commissioner Enright tonight wrote Mayor Hylan that he had recommended to the district attorneys of the five counties in New York City that they seek grand jury indictment of the New York Herald for alleged dissemination of false information concerning the police department.

The newspaper in a recent resume of office activities and unsolved crimes, is alleged to have made seventy-five false statements in violation of section 1353, chapter 539 of the law of 1920.

**THINKS PEARL WORTH \$5,000**  
Poplar Bluffs, Mo., Sept. 28.—A pearl weighing 35 grains and declared to be worth \$5,000 was found in the Black River by E. E. Adams, a professional pearl hunter. The gem is considered the most perfect as well as the largest ever found in this section of the state.

**DON'T SQUEEZE BLACK-HEADS—DISSOLVE THEM**

Squeezing and pinching out blackheads make the pores large and cause irritation—then, too, after they have become hard you cannot get all of them out. Blackheads are caused by accumulations of dust and dirt and secretions from the skin and there is only one safe and sure way and one that never fails to get rid of them—a simple way, too—that is to dissolve them. Just get from any drug store about two ounces of calomel powder—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly for a few seconds—wash off and you'll be surprised to see that every blackhead has disappeared and the skin will be left soft and the pores in their natural condition—anyone troubled with these unsightly blemishes should try this simple method.

## Who wants to buy The Best Hot Water Bottle?

A question immediately answered as "Everybody." There is little value in a piece of rubber if it isn't of the very best quality. There is little object in buying cheap rubber that runs the liability of Spring-leak and thus becoming a danger instead of a source of relief. The best hot water bottle, the quality we guarantee, will last for years and give you continued and safe service; and yet this fine hot water bottle costs no more than and unknown quality you are less able to trust.

## GROUP MEETING OF HARDWARE DEALERS

Was Held at Dunlap Hotel Wednesday Evening—Several Addresses Are Given By Men Versed in Hardware Business.

A group convention of retail hardware dealers in this part of the state was held at the Dunlap Hotel yesterday evening with about fifty members of the Illinois state association of retail dealers present. The members were served a delicious dinner, after which the convention was turned over to the speakers on the program.

G. E. Hackney, assistant editor of the National Hardware Bulletin, was the first speaker. He outlined the advantages that are derived from being a member of the national association, which is an amalgamation of the state associations. He recited several instances showing how dealers were helped in floor planning, settlements with manufacturers and advertising, thru the special bureaus and departments of the association.

H. R. Beatty, president of the state association then took the floor, and gave an enlightening talk on the hardware dealers' attitude toward declining prices and reconstruction. He read an editorial that appeared in the New York Times, concerning a meeting of the New England Hardware Retailers. The editorial made several sarcastic remarks about the dealers and accused them of profiteering and retarding of the return to normalcy and prosperity. Mr. Beatty then read a reply to the editorial of the Times, written by Secretary Sheets, of the national association, stating the unjustness of the accusations, which were hastily and ill advised. The president then gave the delegates an idea of the ability of each member of the state office and the great help they can be to the members of the association.

The principal speaker of the evening was then introduced, Captain Gorbey, who has addressed many of the great industrial gatherings thruout the country and who is widely known for his ability. He dwelt on the vast possibilities of these group meetings like this one and related incidents proving that conventions mean better business. He told of business and industrial conditions thruout the state and was very optimistic in his report. He stated that almost every industry was enjoying prosperity, except building projects in Chicago, and these were being settled as fast as possible by Judge Landis.

Dealers Sold at Loss.  
In his talk he brought out many interesting facts concerning the hardware business, notably that retailers had been forced during the past month to sell certain articles at a loss. He stated that this was wrong in any business and that he who serves the public in any way should enjoy a reasonable profit. His next topic was advertising. The more common kinds, such as newspaper, window display, etc., were discussed and then he gave some interesting ideas which he termed as the best advertising in the world.

This can be put under the head of community service. The dealer who forgets himself and his business for a while and enters wholeheartedly into boosting his community, is the one who is really advertising. The greatest advertising can be gained by putting yourself before the public eye favorably. This can be done thru social circles, in religious work and politics. The dealer should not enter these activities with selfish ends in view. But thru his efforts to better conditions generally, he will benefit not only the community but his business.

The gathering was then turned over to E. G. Aubrey, field representative of the state association, who answered any questions that the members cared to ask.

Resolutions Adopted.  
The following resolutions were voted by the convention: "Having in mind the charges that the press and public speakers have made against retailers alleging that they are blocking the return of prosperity by failing to raise on price declines promptly, we, the hardware dealers of Jacksonville district, in meeting assembled at Jacksonville, this 28th day of September, 1921, take this occasion to state our attitude and to say what our practice has been.

"We believe the return of normal business conditions depends largely on the lowering of prices of manufactured commodities, and that every factor having to do with the manufacturing and distribution of merchandise should reduce prices as rapidly as replacement values warrant.

"We have put into effect every price decline immediately as such declines have become known to us and have urged manufacturers and jobbers of the same to do the same.

White Hall, Sept. 26.—Three carloads of road construction outfits arrived at Carrollton Saturday, and hard road work in

Greene county has begun. The first stretch is four miles north from Carrollton, and further work will get under way when right of way matters are settled as it affects the farm of Mayor H. W. Roadhouse of White Hall. The new highway is to follow a straight course, but the state has so much road work on hand that it is not disposed to lose time in quibbling or litigating over right of way matters, and they will let Greene county alone until more time is available for enforcing right of way wherever there is any objection.

The new officers of Porter lodge, K. of P., are as follows: C. C. Troy, Vermillion; V. C. H.

## SEVERAL RECORDS GO AT COLUMBUS

Grey Worthy Tries Mile In 2:02 1/2—Pacer Manning Steps Mile in 1:59.

Columbus, O., Sept. 28.—By far the best program of races yet offered during the local Grand Circuit meet here was completed today according to followers of the sport. Several season and stake records were made during competition which produced thrills for spectators as well as for those who follow the betting end of the sport. In the 2:12 trot the Buckeye stake for \$3,000 Grey Worthy took the event from Jeanette Rankin, being forced to trot the second heat in 2:02 1/2, which is the season's fastest trotting mile in a race. The gelding also lowered the record set for his event in 1917 by Early Drees, two full seconds. The other two heats were easy for him.

Peter Manning in an effort to lower the track record of 1:59 1/2 made by him last week, succeeded in trotting the mile in 1:59 1/2 with quite a breeze blowing. Walter Cox did not drive his mounts today, being seriously ill. Early Drees, from an attack of acute indigestion.

STALEY FOOTBALL SEASON WILL OPEN SUNDAY Decatur, Ill., Sept. 28.—The Staley football eleven will open its 1921 season here Sunday with the Waukegan American Legion eleven as a foe. The Starchmakers are holding daily drills, expect to be in fair shape for the opener. Blacklock reported from Grand Rapids, Mich., Tuesday as did Barker, the former Ames star who ays all-Western guard several years ago.

BOSTON LOSES LAST HOME GAME Boston, Sept. 28.—Boston lost its last home game of the season today to Brooklyn 9 to 5. The visitors hitting Cooney and Townsend freely. Olson hit Cooney's first pitch for a home run. Ruether's long drive bounded into a hole in the left center-field scoreboard for a home run off Townsend in the ninth. The score: Brooklyn... 111 004 101-9 16 3 Boston... 100 300 100-5 8 3 Batteries: Gordonier, Ruether Taylor; Cooney, Townsend and O'Neill.

CHICAGO EVENS SERIES WITH REDS Chicago, Sept. 28.—Chicago evened the series with Cincinnati today by winning the last game of the season here 3 to 1. The locals clinched the game by bunting hits in the fifth inning. The score: Chicago... 000 001 000-3 5 1 Cincinnati... 100 020 003-3 5 1 Batteries: Donohue, Geary and Douglas; Martin, Kaufman and O'Farrell.

BOSTON BEST ATHLETICS 5 TO 4 Philadelphia, Sept. 28.—Pennock was more effective in the pinches than Naylor and Boston defeated Philadelphia today 5 to 4. In the seventh inning C. Walker made his twenty-fourth home run of the season. The score: Philadelphia... 210 010 010-5 7 1 Boston... 010 000 201-4 12 3 Batteries: Pennock and Walters; Naylor, Freeman and Myatt.

PITTSBURGH WINS LAST HOME GAME Pittsburgh, Sept. 27.—Pittsburgh today closed the local season with a 9 to 6 victory over Philadelphia in a free hitting contest. Glazner was knocked out of the box in the sixth inning and Carlson held the visitors safe except in the ninth when two hits, an error and a sacrifice fly scored two runs. The locals bunched hits off Winters in three innings scoring three runs each time. The score: Philadelphia... 000 040 002-6 11 2 Pittsburgh... 020 000 33X-9 14 2 Winters and Heinke; Glazner, Carlson and Gooch.

## DE KALB NORMAL IS LOOKING GOOD

Ten Letter Men Are Back at Northwestern School—Open Season With Elgin Academy, September 30.

DEKALB, Ill.—(By A. P.)—With ten of the last year's football eleven returning to school, prospects for the Northern Illinois State Teachers college football season are declared "very good" by Milo T. Oakland, athletic director. Practice is under way for the opening game of the season Sept. 30, when Captain Allan Newman will lead his warriors against Elgin Academy at Elgin. The ten veterans from last year's team who returned this fall are Capt. Newman, Charles Cannon, C. Johnson, S. Rasmussen, P. Best, G. Warner, R. Russell, D. Devitt, D. Snow and H. Westervelt. Among the new material McCabe of Elburna, Lawson and Kantz from Maple Park and Lundahl of Rockford are the most promising candidates. Eight games comprise the schedule for the coming season. After meeting Elgin on Sept. 30, the teachers will face Millikin on their home gridiron Oct. 8. The balance of the schedule follows: Oct. 15 Bradley at Peoria. Oct. 22, Mt. Morris at DeKalb. Oct. 29 St. Viator at Bourbonnais. Nov. 5 DePaul at DeKalb. Nov. 11 Milwaukee Normal at DeKalb. Nov. 19 Wheaton at Wheaton.

RETURNS AFTER VISIT C. Hairgrove has returned to his home at the corner of East Morgan and South East streets, after an extended visit with his brother and other relatives in Kansas City. Mr. Hairgrove made the trip on with his son Dr. J. W. Hairgrove who went from Kansas City and spent some time in Oregon. Salem, Oregon, where Dr. Hairgrove spent several weeks in a town about the size of Jacksonville and has a tourist park where an average of 100 tourists camp every day. The city furnishes fuel light and often gas for the accommodation of the travelers. On his way home Dr. Hairgrove joined his father at Kansas City and made the return trip with him. Mr. Hairgrove in spite of his ninety-four years, stood the trip very well.

NOTICE TO WATER CONSUMERS Water will be shut off on Caldwell street from Lafayette to State this morning 8 to 12. W. H. Cobb, Water Supt.

DR. PONTIUS WILL SPEAK Dr. M. L. Pontius, pastor of the Central Christian church, will give the closing after dinner address at the annual Homecoming of the First Baptist church on next Sunday, Oct. 2. The members of the church are preparing for a splendid report at noon for the physical, spiritual and intellectual side of church life. The program was outlined last night by Committeeman Story in the glare of a high bon fire in the Wilson Grove, seven miles out from town. It was one of several pre-Rally day class socials, which have been in progress this week. Mrs. Williamson's class entertained the men with a twilight "feed," followed by a rally day program of speeches and songs. Supt. Kopper is expecting this entire group of eighty five to be present at the Sunday school rally on next Sunday. Cars will be furnished for the invalids, "shut-ins" and the aged. The pastor, Rev. A. P. Howell, is expecting the largest attended communion service of any Sunday in the six months he has been here. Letters will be read from the non-resident members who are expected to send greetings. The Baptist students at the Student banquet on Thursday night, will be invited to make Prof. Lacey's student class the biggest thing in the school on Sunday.

## LINCOLN COLLEGE HAS EIGHT VETS

Coach John C. Robb Looks for Successful Season—Open Season With St. Viators October 3.

LINCOLN, Ill.—(By A. P.)—Eight veterans of the 1920 Lincoln college football eleven, which Coach John C. Robb is confident will give Lincoln the most successful football season in years.

A wealth of material, mostly local products, has turned out to try for places on Capt. Wendell Sparks eleven. Capt. Sparks and three other veterans were regulars last year and four of the eight returning players have been on the team for two years. Alberts, Dehner, Lienhart and Baggert have played two years at Lincoln, while McNett, Mawrey, Parker and Captain Sparks have one year's previous play to their credit. The season will open on Oct. 1, when Lincoln goes to Normal to meet the state normal college. Prominent among the new candidates are Runion, Hadden and Mulnix from Stanford, and Berryhill, Roper, Gallagher, Larsson, Schaffer, Roblitt, Dehner, Johnson and Maloney from Lincoln. The schedule follows: Oct. 8—St. Viators at Bourbonnais. Oct. 15—Headings at Abingdon. Oct. 29—Shurtleff at Alton. Nov. 11—Carthage at Lincoln. Nov. 16—Bradley at Lincoln. Nov. 24—Charleston Normal at Charleston.

Mrs. Fred Ginder was a shopper in the city yesterday from Concord.

## NEW STRENGTH AND ENERGY FOR THE WEAK AND AGED

To be strong, vigorous and active you must have plenty of good, rich, red blood of the kind that organic iron—Nuxated Iron—helps to make. Nuxated Iron is like the iron in your blood and like the iron in spinach, lentils and apples, while metallic iron is iron just as it comes from the action of strong acids on small pieces of iron. Over 4,000,000 people annually are using Nuxated Iron. It quickly helps make rich, red blood, revitalizes worn-out, exhausted nerves and give new strength and energy. At all druggists. Beware of substitutes. Always insist on having genuine NUXATED IRON For Red Blood, Strength and Endurance

## FRENCH CUE

Paris—(By A. P.)—The historic rise in the billiard world of Roger Conti, French cue marvel, has attracted as much attention in Europe as Willie Hoppe's spectacular performances in America some 12 years ago. Conti is coming to the United States this month to represent France in the world's billiard championship tournament, to be held in Chicago in November.

Born in Toulouse in 1901, young Conti began to wield a cue in his father's billiard parlors when the top of his head was hardly visible above the tables. He used a stool to make some of the more difficult shots. In his early teens, he defeated many of the ablest players in Europe at billiards. Recently he gave Dorset, one of the 10 best French players, 150 points, and beat him in a 500-point game, running out in five innings. He is weakest on masse shots, but

FRESH DECIDINES IN  
PRICE OF WHEAT

By Associated Press.  
CHICAGO, Sept. 28.—Un-  
easiness regarding European fi-  
nancial and industrial conditions  
had much to do today with bring-  
ing about fresh declines in the  
price of wheat. The market closed  
heavy 2 1/2 to 2 3/4¢ net lower, with  
Dec. \$1.20 1/2 to \$1.21 and May  
\$1.25 1/2 to \$1.25 3/4. Corn lost 1/2  
to 1 1/4¢ and oats 1/2 to 1 1/4¢. In  
provisions the outcome varied from  
a decline to 1 1/2¢ advance. With  
a spectacular new break in the  
value of the German mark and  
with further evidence of great  
strain in the British unemploy-  
ment situation wheat traders  
showed apparent lack of confi-  
dence in the buying side. In ad-  
dition reports were current that  
Switzerland had decided to ob-  
tain all her cereal supplies hence-  
forth from Roumania instead of  
from this country because of the  
difference of exchange rates.

## SPECTACULAR WORK MARKS GOLF PLAY

Osborne Beats Hubble and Hamm  
Eliminates Masters—Hamm Did  
Some Terrific Driving in His  
Match—Games Scheduled To-  
day.

Two spectacular matches were played Wednesday in the city championship. Joel Hubble, veteran golfer, was eliminated by the stellar plying of the title holder, Marcy Osborne. The feature of the first round was the remarkable driving of Osborne. The match was even thru the eighth hole where both Osborne and Hubble drove the green 240 yards, halving the hole in three.

Osborne won the ninth and started the second round 1 up, having played the first round in 41. The second round was played by Osborne in championship form with a 38, total score 79, equalling the course record made by A. M. Masters. Osborne was the winner 6 up 5 to play.

The match Wednesday morning between A. M. Masters and Cass Hamm was won by the latter 6-4. Hamm's playing was by far the most consistent seen in the tournament. His drives were terrific, his approaches were pitched to the pin with the accuracy of a professional and he sunk puts from any part of the green. The 420 yard fifth was shot by Hamm on both rounds in par 4. He played his first round against Masters in 41. The first seven holes of the second were made in 29 where he lost an opportunity to lower the course record by slicing his shot off the eighth tee. The round was completed in 41. Hamm is one of the strongest contenders for the championship.

The semi-final match between Osborne and Hamm is scheduled to be played Friday. Two interesting matches will be played today: Farrell vs. Gregory.

Rantz vs. Flood.  
All preliminary matches in the consolation tournament are to be played off by Saturday evening. Immediately following the tournament the committee will announce the matches for Sunday and Monday. Judge Paul Samuelli was eliminated yesterday by H. Andrews by a score of 5-4.

Announcement of the rules governing the ladies tournament to be held Tuesday, October 4th, will be made today.

## EXPENSIVE GOWNS BARRED FROM ST. JOSEPH SCHOOLS

The St. Joseph Globe-Democrat has the following about extreme styles in the St. Joseph, Mo., schools.

"Strong sentiment against the styles of dress prevalent among the school students was expressed in a resolution by the local board of education after an extended conference with members of the Parent Teachers' association. The board expressed itself as strongly opposed to overdressing by both teachers and students. The resolution, in part, follows:

"We recommend the abolishment of overdressing in the high schools by both teacher and student and strongly condemn wearing of expensive apparel, jewelry, silk hose and high heel shoes or slippers, and request the co-operation of parents and students in an effort to effect a simple and sensible school costume. We further recommend that a lack of observance of the sentiment herein expressed be regarded unfavorably by the board of education, the parent teachers' association and the student body as disloyal to the best interests of the schools, and that failure to observe the ideas expressed will be regarded as an attempt at snobbishness."

## CLUBS AND SOCIETY

Entertains Y. W. C. A.  
Conference Friends at Dinner

Mrs. Frank Strawn and her daughter, Miss Frances Strawn, entertained at an informal six o'clock dinner yesterday evening. The dinner party was given for the girls who, with Miss Strawn, represented Illinois College at the Y. W. C. A. conference at Lake Geneva, Wisconsin, this summer. Dean and Mrs. G. H. Scott were also guests of the evening.

## Wednesday Class in First Meeting of the Season

The Wednesday Class held the first meeting of the fall season yesterday afternoon at the home of Mrs. F. S. Hayden on West College avenue. No special program had been planned but a very interesting discussion was held among the members on "Readings of This Summer." The afternoon was spent in a social way and the hostess served afternoon tea.

## History Class Studies Land of Japan.

The History Class was entertained at the home of Mrs. E. P. Brockhouse on West College avenue yesterday afternoon. The class is studying Japan this year and the subject for yesterday was "Land and People of Japan." The discussion was lead by Mrs. H. H. Bancroft and she was assisted by other members of the club.

The program was followed by a social hour and the serving of dainty refreshments.

## Camp Fire Girls Give Tea In Honor of Mothers

The members of the Aokiya Camp Fire Group entertained at afternoon tea yesterday from five o'clock until six in honor of their mothers. The affair was given in the Aokiya club rooms at the Pilgrim Memorial and the girls arranged every detail for a most delightful and successful event.

A program had been planned in which a number of the girls took part. Eleanor Ames and Joyce Landers gave some clever recitations and all the girls joined in singing one of the motion songs, "Mammy Moon." Eleanor Andre and Margaret Williamson sang a duet and were accompanied on the piano by Elizabeth Goodale.

Tea was served and during the afternoon the mothers and the girls talked over plans for the camp fire program this year. Miss Jacobina Riecke is the guardian of this group.

## Woodson Woman's Club Met Wednesday.

The Woodson Woman's Club held its regular meeting in the Woodson Christian church yesterday afternoon with a good attendance. A delightful program was given as follows: Several vocal solos by Miss Patterson of Jacksonville, a reading by Mrs. Hugh Hagen, some musical numbers by Mrs. Hagen, a reading by Mrs. Earl Hembrough, and a paper on the club anniversary by Mrs. Powell.

This meeting ended the club year, which has been a very successful one. The next meeting will be an open meeting, on October 18 at which time the members will sew for the Red Cross. Miss Fordward of the Morgan County chapter of the Red Cross will make a talk.

## Murrayville Domestic Science Club Met

The Murrayville Domestic Science Club met Wednesday afternoon, September 28. One of the finest programs of the year was carried out beginning with the club prayer. Seventeen members responded to the roll call. The roll call consisted of something new from something old. It proved that most women are gifted in the art of making something new from something old. The first paper on the program was "Things Worth While," by Mrs. W. W. Walker. Another paper by Mrs. J. H. Fuller, was on "Woman, the Guardian of Our Government." Both papers were magnificent compositions and showed that each member had done justice to her subject spending much time and thought on it. It gave those present a new vision of things worth while. Following the program an elegant luncheon was served by the hostess which consisted of cream chicken on toast, bread sticks, sweet pickles, cake and coffee. The next meeting will be on October 12, at the home of Mrs. William White.

## MISS ESCH IS BRIDE OF VERNE TREMBLETT

Impressive Ceremony Took Place  
at Home of Bride in LaCrosse,  
Wis.

The LaCrosse (Wis.) Journal of recent date gives an account of the marriage of Miss Irene Esch to Mr. Verne K. Tremblett, of Chicago, a son of Mrs. and Mrs. George H. Tremblett of this city. Miss Esch is a daughter of Hon. John J. Esch, former member of congress and whose name is identified with the Esch-Cummings railroad legislation.

The paragraphs from the paper follow:  
The residence of Hon. and Mrs. John J. Esch, 117 South Thirtieth street, was the scene on Saturday, Sept. 24th, of a very pretty wedding, when their daughter, Irene E. Esch, became the bride of Mr. Verne King Tremblett of Chicago. A small party of guests, including relatives and near friends were in attendance. At four o'clock the bridal party appeared advancing to the strains of Mendelssohn's Wedding march played by Miss Margaret Esch, sister of the bride. The bride was attended by her sister, Miss Marie Esch, as maid of honor, and Mr. Charles Hyde was the best man. Little Phoebe Louise Faville, daughter of Mr. and Mrs. Theodore Faville of Oshkosh, was the flower girl. Rev. Carlos C. Dowlinson, pastor of First Congregational church, read the solemn marriage lines, the bride being given in marriage by her father.

The ceremony was performed in the enhancing little greenery, palms and ferns being artistically arranged in the form of a bower, having all cathedral candles on either side with a touch of pink for the coloring. The mantel was transformed into a fernery and all the lights were festooned with wild smilax in basket form. The rest of the rooms were prettily decorated with wild and garden flowers in great profusion and variety. On the porch where the ice cream was served an attractive arrangement of flowers and vines was presented, hanging baskets contributing beauty. In the dining room the serving table was featured by a large basket of Columbia roses, having at either end a silver candelabra bearing pink tapers. Upon the sideboard was the bride's cake, which was beautifully decorated with a shower of white satin ribbons falling over each side, each end tipped with a tiny blossom. At either side were silver sticks holding pink tapers.

Mrs. C. H. Schweitzer, Mrs. Edward Evans, Mrs. Alfred Langenbach and Mrs. Frank N. Funke alternated in presiding at the coffee urn and the salad bowl. Mrs. F. A. Cotton was in general charge of the rooms. Mrs. A. H. Sanford, Mrs. F. G. Tiffany and Mrs. A. J. Elchard served the ice cream on the porch, with the Misses Grechen Langenbach and Ellen Hurlen assisting.

The bride was most charming in her bridal robe of ivory white satin with court train, falling from the shoulder severely plain but very becoming. Her veil of tulle was draped from a pointed crown of Duchesse lace with cap effect at the sides, and a pearl bandeau. She carried a shower bouquet of Ward and Russell roses with lilies of the valley. The maid of honor wore a filmy frock of peach colored marquisette over orchid colored chiffon. The girl was a garland of varied silk flowers. Her bouquet was a shower of Russell roses. The little flower maid wore flesh colored organdie and carried an arm bouquet of Columbia roses, scattering petals in the path of the bride. The bride's traveling gown was a mouselyn blue suit with blouse of blue trimmed with moire ribbons and beads. Her hair was of blue duvetyne with a brim of blue and crimson quills alternating. Mrs. Esch, mother of the bride, wore heavily embroidered flit lace of white veiling jade green satin. Her corsage was of Columbia roses. Mrs. Elizabeth Herbst grandmother of the bride, wore gray crepe de chine, cascaded in lace and a corsage of heliotrope and roses.

The out of town guests were Mr. and Mrs. Rhinelander, the latter a sister of the bridegroom, of Lincoln, Neb. Mr. and Mrs. Gus Seefeld of Milwaukee, Mrs. Mrs. Theodore Faville and daughter, Phoebe Louise, of Oshkosh, Mrs. Mrs. Perry Stetteland and son, Gregger of Pittsburgh, Pa., Mrs. William Cargill, Jr. of Madison, Mr. and Mrs. Harry Lund of Milwaukee, Miss Gladys Dixon of St. Louis, Mr. and Mrs. John Herbst, Mrs. Elizabeth Herbst, Mrs. George Herbst and Mrs. Edward Herbst of Sparta. Mr. and Mrs. Tremblett left on a late train for Minneapolis for a honeymoon, later going to Chicago to reside. Handsome gifts were presented to the bride.

## MAKING PLANS FOR RED CROSS ROLL CALL

Red Cross membership enrollment in the coming Roll Call which opens November 11—Armistice Day—and continues until Thanksgiving, November 27, will be in charge of Miss Clara Arthur of Jacksonville, Morgan county chapter. Acceptance of this important post has just been sent to Chicago headquarters of the Central Division, of which this is a part.

Local support of the Red Cross is expected not only to reach but surpass that of this past year, since the organization is not only equipped to function in community work here, but is called upon to act in national emergencies and disasters. The recent calls upon the Red Cross in the Pueblo and San Antonio floods as well as the obligations it is still discharging toward disabled ex-service men, place the responsibility for these humanitarian undertakings upon the shoulders of every person with "the heart and the dollar."

During the past month, the number of new soldier cases needing care and treatment have been brought to public attention and thru the work of the "Clean Up" Squads a realization of the import-

ance of work the Red Cross is doing for service men the country over has been increasingly manifest. That more than \$10,000,000 has been expended in this work by the national organization within the year proves the need for its continued support.

Under the new arrangement all funds remain with the local chapter for support of its present activities with the exception of fifty cents from each annual, contributing or sustaining membership. These funds go to support disaster relief, soldier work and other projects.

ANNOUNCEMENT.  
As the candidate for the Republican party for county commissioner selected at the recent convention, I will appreciate support given me at the polls, and if elected will fill the office to the best of my ability.

## Do you know what constitutes a strong constitution?

To have sound, healthy nerves, completely under control, digestive organs that are capable of absorbing a hearty meal, means you have a strong constitution! Your general attitude is one of optimism and energy.

But an irritable disposition, frequent attacks of indigestion, and a languid depression, indicate your system is not in correct working order.

Probably you are not eating the proper food. Probably the nutritious elements are not being supplied to your system in the proper way.

Grape-Nuts is the wholesome, delicious cereal that promotes normal digestion, absorption and elimination, whereby nourishment is accomplished without auto-intoxication. A mixture of energy-giving wheat and malted barley comprise the chief elements of Grape-Nuts. A dish at breakfast or lunch is an excellent, wholesome rule to follow.

You can order Grape-Nuts at any and every hotel, restaurant, and lunch room; on dining cars, on lake boats and steamers; in every good grocery, large and small, in every city, town or village in North America.
